*Let the music come to you-
Enjoy the pleasure of live entertainment in your own home!*

Luanne Crosby, Singer/Songwriter, will bring her gift of song, and serenade you, you and your partner, a small dinner party, a woman's night in, a small circle of friends or a gathering of your children or grandchildren. She'll even accompany you on that trip to your elderly parent or hospital ridden friend as a special treat on your next visit.

Luanne, an accomplished guitarist, has a varied repertoire covering a spectrum of styles from folk to jazz to rock and blues but with a twist. She now plays it all on ukulele! Some of her material includes:

- ❧ Folk songs from the 60's and 70's (e.g. Joan Baez, Judy Collins, Bob Dylan)
- ❧ Boomer favorites (e.g. Motown hits, Fleetwood Mac, Beatles)
- ❧ Talented newer artists to keep things fresh(David Gray, Mark Cohen, James Morrison, Dido)
- ❧ Blues, jazz, country and rock songs (from many artists and time periods, including Bonnie Raitt, the Dixie Chicks, Eric Clapton and more)
- ❧ Popular songs from the early 20th century up through the age of rock 'n roll (hugely appreciated by the senior set)
- ❧ Music of the Civil War
- ❧ Originals in varied styles with moving words and great musicality, including special material for children and families

She'll tailor her sets to your taste or mix it up and do a little something of everything.

For a small fee Luanne will learn that special song for you or your loved one or even write something for a special occasion.
